

Biography

I am an actress, emcee, writer, and producer with over 12 years of experience in the USA, Latin America, and Europe. I've worked in film, TV, new media, theater, live events, and conferences, bringing energy and connection to every project.

I've had the privilege of hosting and interviewing icons like Bob Dylan, Dwayne "The Rock" Johnson, Drew Barrymore, and Jason Momoa, as well as political leaders and world-class athletes. My work spans platforms like Hulu, Amazon Prime, Netflix, ABC, and Peacock. Currently, I host the Emmy Award-winning shows "LA This Week" and "LA Currents" and serve as the In-Stadium Host for Angel City Football Club. With a passion for storytelling and connecting with audiences, I bring professionalism, charisma, and heart to every stage and screen.
